**FOREWORD** ..... xi

**INTRODUCTION** ..... 1

Aims and Goals of the Study ..... 1

The Key Arguments of this Study ..... 2

Structure of the Book ..... 3

Glossary of Key Terms ..... 3

Brief Literature Review ..... 4

**PART I: Historical Contexts** ..... 5

1.1 Introduction ..... 5

1.2 A Brief History of Canadian Mining and Metallurgy ..... 5

    Narrative History ..... 5

    Mining and the Canadian Economy ..... 6

    Mining Innovation: Barriers and Opportunities ..... 6

    A Canadian Theory of Mine Organization ..... 8

    Moving to Formal Mine Organization ..... 8

    Mine Management Culture and Change ..... 9

1.3 The Golden Age of Canadian Metallurgy ..... 9

**PART II: The Rise and Fall of Corporate R&D** ..... 11

2.1 Introduction ..... 11

2.2 Linking Mining and Manufacturing Through Steel ..... 12

    Introduction ..... 12

    The History of the Stelco Research Centre ..... 13

    The Stelco “Works Lab” ..... 13

    The General Metallurgical Knowledge Hub ..... 14

    Centre of Product and Process Innovation ..... 14

    Stelco Research and the Coilbox ..... 15

    Stelco & Direct Reduced Iron ..... 18

    Evaluating the Stelco Research Story ..... 19

    The Blacksmith Culture of Stelco ..... 19

    Sources of Innovation at the Industry Level ..... 20

2.3 Inco Research 1960-1990 ..... 21

    Introduction ..... 21

    Innovation at Inco ..... 22

    The Founding of Inco and Its Predecessor Companies, 1888–1915 ..... 22

    From the First World War to the Second World War ..... 23

    The Growth Years: 1945–1970 ..... 24

    Expansion, Contraction and the Environment: 1970–2006 ..... 25

    The Vale Takeover ..... 28

    The Value Chain of Inco Research ..... 28

2.4 Alcan.....	29
Metallurgical Research and Corporate Restructuring: The Alcan Example.....	29
2.5 Additional Case Studies.....	30
Falconbridge.....	30
Noranda.....	31
Cominco.....	33
2.6 Public Policies to Link Mining and Manufacturing: The Case of Sheridan Park.....	34
Introduction.....	34
Inco Research and the Gordon Centre.....	35
Hatch and Sheridan Park.....	36
The Hatch Business Model.....	36
Hatch and the Innovation Ecosystem.....	37
2.7 Conclusion: Marginalization and Closure of Corporate R&D Centres.....	38
<b>PART III: The Changing Narrative of Mining and Metallurgy.....</b>	<b>41</b>
3.1 Summary.....	41
Then and Now: Strategic Management Decisions.....	41
The Digital Frontier in Mining.....	41
3.2 The Hatch Story.....	41
Talent Flows: The Hatch Story.....	41
Overview of Hatch.....	42
‘Hall of Fame’ Technologies.....	44
Hatch in the Twenty-first Century.....	49
Summary and Conclusions.....	51
3.3. Mining, Metallurgy and the Environment.....	51
SO <sub>2</sub> -Abatement: An Example of Inco-Hatch Collaboration.....	51
Sudbury and the Origins of the SO <sub>2</sub> Programme.....	51
The Inco-Hatch Relationship.....	53
The Outcomes of the SO <sub>2</sub> Program.....	54
<b>PART IV: The Resilience of Mining and Metallurgy.....</b>	<b>55</b>
4.1 Introduction.....	55
Examples of Small- and Medium-Sized Mining Companies.....	55
4.2 The Shift in Mining Technology Development.....	55
Tele-operations.....	56
Case Study: Public Support for Mining Innovation — The Story of Precarn.....	56
4.3 Digitization of Mining Operations.....	57
Mining 4.0.....	58
4.4 Digital Technology Trajectories.....	59
Case Study: Digital Technology and Big Data in Exploration — Geophysics and Geodata.....	59
4.5 Digitization and Labour Management Relations.....	61
Industrial Organization.....	61
Inco Strike (1982-1983).....	62

---

<b>PART V: Estimating and Realizing the Benefits</b> .....	65
5.1 Estimating and Realizing the Benefits.....	65
Risk Models, Mining and Innovation .....	65
Whittle Optimization Model.....	65
Modeling the Value of Information.....	66
Modelling Risk for Digital Mining.....	66
5.2 Innovation in the Supply Chain .....	67
5.3 Metallurgy, Mining and the Circular Economy.....	67
The Concept, Principal and Application of Renting in the Mining Industry.....	68
<b>PART VI: Conclusion of the Study</b> .....	71
6.1 The Shifting Boundaries of the Enterprise .....	71
6.2 This Time It Will be Different .....	71
6.3 Mining, Metallurgy and the Future.....	71
What If Metallurgy Will Not be Enough? .....	72
6.4 Global Impacts.....	72
<b>ACKNOWLEDGMENTS</b> .....	75
<b>APPENDIX: List of Selected Canadian Innovations in Mining and Metallurgy</b> .....	77
<b>REFERENCES</b> .....	85
<b>INDEX</b> .....	89
